

ACS Tour Speaker – Dr. Dorit Noether – May 22 at CBC

Our next ACS Tour Speaker will give a talk entitled “Nuclear Weapons – Technology and Consequences” on Tuesday May 22 at 7:30 PM. The talk will be held at Columbia Basin College in Room L-102, which is in the Library building at the Pasco Campus. Please note the room number change from the previous announcements!

All section members are invited to attend a dinner with Dr. Noether and her husband at 5:30 PM at the Doubletree Inn in Pasco prior to the talk.

Please contact Milt Campbell for dinner reservations by 6 PM Monday May 21 at 946-1985 or by e-mail at campsoup@gte.net.

NORM 2001 Next Month in Seattle

The 56th Northwest Regional meeting of the American Chemical Society will be held June 14-17th in Seattle. The theme of this meeting is “The Future of Chemistry is here”, and will be addressed in several plenary sessions and lectures. Deadline for the receipt of advance registration is May 25. Full details, including abstracts, registration information, accommodations, and workshops is available online at www.chem.plu.edu/norm.

Richland Section Annual Picnic on June 22

Come out to enjoy some burgers and meet new and old friends at this year’s picnic on June 22. The picnic will be co-hosted, as last year, by the Columbia Valley Section of the American Institute of Chemical Engineers (AIChE). The picnic will be held in Leslie Groves Park, at the pavilion at the end of Park Street in Richland. Grilling will commence at 5:30 PM. Burgers, etc. will be provided. Please bring a dessert or side dish.

2nd Joint Meeting of Local Scientific and Professional Societies

This meeting will be held at 7 PM on May 24th in the Battelle Auditorium. The Speakers will be Harry Boston and Keith Klein, the DOE Project Managers. All section members are encouraged to attend.

Call for Nominations for Chemist of the Year

The Richland Section is soliciting nominations for its "Chemist of the Year" award. The award is given periodically by the Section to a local chemist to honor significant contributions in the chemical sciences. Nominations and questions concerning the award may be directed to Steve Krogsrud (laroy_s_steve_krogsrud@rl.gov), telephone 509-372-2302. Nominations will be accepted through June 30, 2001.

Large Turnout at ACS Meeting

The talk given by ACS President Dr. Attila Pavlath on April 25th was well attended, with over 100 present. Over 30 members went to the dinner that followed. Many thanks are in order for the students from Eastern Oregon University for their attendance and for their presentation of posters of their recent research.
