

Table D.17 Summary of Listing and Candidate Status Information for Species Potentially Found on or Near the Hanford Site

Scientific Name	Common Name	Federal Status ^(a)	Washington (Oregon) State Status ^(a)	Hanford Abundance ^(b)
Plants				
<i>Arenaria franklinii</i> var. <i>thompsonii</i>	Thompson's sandwort		(Candidate)	Uncommon
<i>Artemisia campestris borealis</i> var. <i>wormskioldii</i>	Northern wormwood	Former candidate	Endangered (endangered)	Undocumented
<i>Astragalus arrectus</i>	Palouse milkvetch		Sensitive	Not recently documented
<i>Astragalus columbianus</i>	Columbia milkvetch	Former candidate	Threatened	Rare
<i>Astragalus geyeri</i>	Geyer's milkvetch		Sensitive	Rare
<i>Camissonia</i> (= <i>Oenothera</i>) <i>pygmaea</i>	Dwarf evening-primrose		Threatened	Rare
<i>Carex densa</i>	Dense sedge		Sensitive	Undocumented
<i>Collinsia sparsiflora</i> var. <i>bruceae</i>	Few-flowered collinsia		Sensitive	Undocumented
<i>Cryptantha leucophaea</i>	Gray cryptantha		Sensitive	Uncommon
<i>Cyperus bipartitus</i> (= <i>C. rivularis</i>)	Shining flatsedge		Sensitive	Uncommon
<i>Eatonella nivea</i>	White eatonella		Threatened	Rare
<i>Erigeron piperianus</i>	Piper's daisy		Sensitive	Uncommon
<i>Limosella acaulis</i>	Southern mudwort		Sensitive	Uncommon
<i>Lindernia dubia</i> var. <i>anagallidea</i>	False pimpernel		Sensitive	Uncommon
<i>Lomatium tuberosum</i>	Hoover's desert parsley	Former candidate	Threatened	Rare
<i>Mimulus suksdorfii</i>	Suksdorf's monkey-flower		Sensitive	Rare
<i>Nicotiana attenuata</i>	Coyote tobacco		Sensitive	Not recently documented
<i>Oenothera cespitosa</i>	Dwarf evening-primrose		Sensitive	Rare
<i>Pectocarya setosa</i>	Bristly combseed		Sensitive	Rare

Table D.17 Summary of Listing and Candidate Status Information for Species Potentially Found on or Near the Hanford Site (continued)

Scientific Name	Common Name	Federal Status ^(a)	Washington (Oregon) State Status ^(a)	Hanford Abundance ^(b)
<i>Rorippa columbiae</i>	Columbia yellowcress	Former candidate	Endangered (candidate)	Common
Terrestrial Invertebrates				
<i>Boloria (=Clossiana) selene atrocotalis</i>	Silver-bordered fritillary		Candidate	Undocumented
<i>Cicindela columbica</i>	Columbia River tiger beetle		Candidate	Undocumented
<i>Mitoura siva</i>	Juniper hairstreak		Candidate	Undocumented
Aquatic Invertebrates				
<i>Fisherola nuttalli</i>	Shortface lanx	Former candidate	Candidate	Common
<i>Fluminicola columbiana</i>	Columbia pebblesnail	Former candidate	Candidate	Rare
Fish				
<i>Oncorhynchus mykiss</i>	Upper Columbia River steelhead trout	Endangered	Candidate	Common
<i>Oncorhynchus tshawytscha</i>	Snake River chinook salmon (spring/summer and fall)	Endangered		Rare
<i>Salvelinus confluentus</i>	Bull trout	Candidate		Accidental
Reptiles				
<i>Masticophis taeniatus (=catenifer) catenifer</i>	Striped whipsnake		Candidate	Rare
Birds				
<i>Accipiter gentilis</i>	Northern goshawk	Former candidate	Candidate (sensitive/critical)	Uncommon
<i>Amphispiza belli</i>	Sage sparrow		Candidate	Common
<i>Aquila chrysaetos</i>	Golden eagle		Candidate	Uncommon
<i>Athene cunicularia</i>	Burrowing owl	Former candidate	Candidate (sensitive/critical)	Abundant
<i>Branta canadensis leucopareia</i>	Aleutian canada goose	Threatened	Endangered (endangered)	Accidental
<i>Buteo regalis</i>	Ferruginous hawk	Former candidate	Threatened (sensitive/critical)	Uncommon

Table D.17 Summary of Listing and Candidate Status Information for Species Potentially Found on or Near the Hanford Site (continued)

Scientific Name	Common Name	Federal Status ^(a)	Washington (Oregon) State Status ^(a)	Hanford Abundance ^(b)
<i>Buteo swainsoni</i>	Swainson's hawk	Former candidate	Candidate (sensitive/vulnerable)	Common
<i>Centrocercus urophasianus</i>	Sage grouse	Former candidate	Candidate (sensitive/vulnerable)	Rare
<i>Falco peregrinus</i>	Peregrine falcon	Endangered	Endangered (endangered)	Accidental
<i>Gavia immer</i>	Common loon		Candidate	Uncommon
<i>Grus canadensis</i>	Sandhill crane		Endangered (sensitive/vulnerable)	Uncommon
<i>Haliaeetus leucocephalus</i>	Bald eagle	Threatened	Threatened (threatened)	Common
<i>Lanius ludovicianus</i>	Loggerhead shrike	Former candidate	Candidate (sensitive/undetermined status)	Common
<i>Melanerpes lewis</i>	Lewis' woodpecker		Candidate (sensitive/critical)	Rare
<i>Oreoscoptes montanus</i>	Sage thrasher		Candidate	Rare
<i>Otus flammeolus</i>	Flammulated owl		Candidate (sensitive/critical)	Accidental
<i>Pelecanus erythrorhynchos</i>	American white pelican		Endangered (sensitive/vulnerable)	Common
<i>Sialia mexicana</i>	Western bluebird		Candidate (sensitive/vulnerable)	Rare
Mammals				
<i>Brachylagus (=Sylvilagus) idahoensis</i>	Pygmy rabbit	Former candidate	Endangered (sensitive/vulnerable)	Extirpated
<i>Spermophilus (=Citellus) washingtoni</i>	Washington ground squirrel		Monitor (sensitive/critical)	Undocumented
<i>Plecotus townsendii pallescens</i>	Pale Townsend's big-eared bat	Former candidate	(sensitive/critical)	Undocumented
<i>Sorex merriami</i>	Merriam's shrew		Candidate	Uncommon
(a) See Section D.3.5.1 for listing and candidate category definitions.				
(b) See species of concern data tables for each taxa for references for abundance data.
