

Program Element I: Management Leadership

7. Contract Workers

Required Information:

Describe how past performance in safety and health is taken into account in selecting contractors.

Describe the methods used for oversight, coordination, and enforcement to ensure that the contractor safety and health program is adequate and is implemented properly. Specify site entry and exit procedures for contractors.

Describe the programs for familiarizing and holding accountable all persons in contractor-controlled areas.

Describe the means used to ensure prompt correction and/or control of hazards, however detected, under the contractor's control.

Describe the methods used to ensure that all injuries and illnesses occurring during work performed under your contract are recorded and submitted to you.

Describe methods, such as monetary penalties and dismissal from the site, used to discourage willful or repeated noncompliance by contractors or their employees.

Provide the number of resident contractors on the site.

Additional Guidance:

Include criteria for selecting contractors.

Applicant agrees that the required information is included and is correct to the best of their knowledge.
