Partnering for Success

PNNL is operated by Battelle for the U.S. Department of Energy (DOE) under contract No. DE-AC05-76RL01830. We are responsible for procuring high-quality products and services for the Pacific Northwest National Laboratory. In a cost-effective, timely manner, we seek competition to the fullest extent possible and are dedicated to the highest standards of ethical conduct throughout the acquisition process. We strive to place a fair portion of our total acquisitions with qualified small businesses.
